# Growing in God's Word

With next year right around the corner, you might be thinking of some New Years resolutions. We know how busy moms can be just keeping up with everyday tasks and routines, so we wanted to share something you could add to your day that will only take **one minute**. A *Virtuous Woman* shares Bible Reading plans that have a different theme each month. Some monthly topics are "The Lord Establishes Your Steps", "Forgiveness", and "The Words of My Mouth". Check out this verse from Day 1 below:

*Good job, mama! You're already accomplishing your goal. Day 1 verse complete. Now let's put it into action. Take some time to pray and commit this New Year to the Lord.*

## Are you planning on giving your children the best gift ever for Christmas?

With all of the parties, food, celebrations, and gifts, the real meaning of Christmas can often be pushed aside or forgotten about. Let's not forget that the reason we celebrate Christmas is because we received the best gift ever: Jesus! He stepped down from His throne, was born as a baby, lived a perfect life, died the death we deserved, and was raised from the dead. What a gift!

If you are looking for ways to share the best gift ever with your child, *Life With My Littles* has 12 different ways to teach kids the true meaning of Christmas here: <https://www.lifewithmylittles.com/teaching-kids-the-true-meaning-of-christmas/>
